

**Town Of Needham Board of Selectman  
Minutes for July 24, 2007  
Needham Town Hall**

6:45 p.m. Informal Session:

Tim Sullivan and Sean Coyle from CitiBank appeared before the Board. They stated that CitiBank recently opened a branch in Needham and is interested in getting involved in the community. The Board suggested the bank consider joining the Needham Business Association and stated that there are many opportunities for CitiBank to support the Town.

7:05 p.m. Call To Order

A meeting of the Board of Selectmen was convened by Chairman Gerald Wasserman at 7:00 p.m. Those present were: John Bulian, James Healy, Daniel P. Matthews, Gerald Wasserman, John H. Cogswell, Town Manager Kate Fitzpatrick and Recording Secretary Greg Cooper.

7:05 p.m. Public Hearing - NSTAR Petition

Jackie Duffy, NSTAR Representative, appeared before the Board with two petitions for the Board's consideration.

1. NSTAR Petition for Mellon Street:

NSTAR requested permission to install one hip guy at pole 44/7 on Mellon Street to assist in the removal of a Town tree.

**Motion by Mr. Cogswell that the Board of Selectmen vote to approve and sign petition from NSTAR to install one (1) hip guy @ pole 44/7, Mellon Street, Needham. This work is necessary to provide removal of tree by the Town of Needham @ pole 44/7.**

**Second: Mr. Bulian. Unanimously approved 5-0.**

2. NSTAR Petition for Central Avenue:

NSTAR requested permission to install conduit on Central Avenue to provide underground electrical service to 963 Central Avenue, Needham.

**Motion by Mr. Cogswell that the Board of Selectmen vote to approve and sign petition from NSTAR to install approximately 9 feet of conduit from pole 8/121 Central Avenue, Needham. This**

work is necessary to provide new underground electric service at 963 Central Avenue, Needham.  
Second: Mr. Bulian. Unanimously approved 5-0.

7:05 p.m. Appointments and Consent Agenda:  
Motion by Mr. Bulian that the Board of Selectmen vote to approve the Consent Agenda as presented

#### APPOINTMENTS

1. Appointment of Election Workers           Attached
2. Various Boards & Committees           Attached

  - Library program performer, storyteller Katie Green, gave the library a copy of her CD, *The Red Hat* (\$15.00)
  - The Shore Family donated a copy of *The Oxford Spanish Dictionary* (\$49.95)
8. Disband the Korean War Semicentennial Memorial Committee
9. Water and Sewer Abatement Order #1053

Second: Mr. Cogswell. Unanimously approved 4-0.

7:05 p.m. Ms. Fitzpatrick appeared before the Board with four items for the Board's consideration:

1. Town Manager Update:  
Ms. Fitzpatrick requested the Board approve the sending of a letter to Representative Harkins and Senator Brown expressing the Town's

opposition to legislation that would establish minimum staffing levels for fire departments.  
**Motion by Mr. Cogswell that the Board of Selectmen vote to authorize the Town Manager to draft a letter to the Town's State Representative and Senator expressing opposition to legislation that would establish minimum fire department staffing requirements.**  
**Second: Mr. Bulian. Unanimously approved 5-0.**

2. EPA Community Energy Challenge:  
Ms. Fitzpatrick informed the Board that the Town has joined the EPA New England's Community Energy Challenge as part of the Town's effort to improve energy performance and become more sustainable. She also mentioned the Town's efforts to promote Xeriscape landscaping at Town facilities and to residents. Mr. Cogswell suggested that information on this topic could be sent to residents through the water/sewer bills. Mr. Healy suggested distributing the information to Town Meeting members.

The Board opted to move to the high school grounds discussion on the agenda and come back to the Town Manager.

- 7:10 p.m. High School Grounds:  
Members of the School Committee, Permanent Public Building Committee, and Park & Recreation Commission appeared before the Board to discuss the future community use of the upper portion of the High School. Steven Popper, PPBC, stated that the proposal is to hardscape the surface North of the gym so it can be used for tennis, basketball and other hard court games. Marianne Cooley, School Committee, stated that the tennis courts would not be competition courts but could be used for physical education and practice. John Connolley, PPBC, stated that the area will be a sports court. Mr. Bulian stated that the Town needs more usable tennis courts because there are very few in town and most are in poor condition. The Board asked the PPBC for a schematic drawing of what is being proposed and under school construction contract. The Board

expressed a need to maximize the efficiency of the field/recreation space within Town.

Patty Carey requested the Board support the Park & Recreation Department's efforts to get grant funding to help pay for the rehabilitation of the Mills Field tennis courts.

**Motion by Mr. Bulian that the Board of Selectmen vote to sign a resolution authorizing the Town Manager to file and accept grants from the Executive Office of Energy and Environmental Affairs and to take other actions to carry out the grants.**

**Second: Mr. Healy. Unanimously approved 5-0.**

Mr. Matthews reiterated that what is being constructed at the High School upper field is what was originally planned. He asked about fencing, potential overflow parking and surfacing. He also expressed his opinion that the chance of the Town getting a grant to fix the Mills Field tennis courts is very slim and an alternative plan should be identified. Mr. Wasserman would like to pursue the effort to renovate the Mills Field tennis courts and explore the potential for a fifth court at the site.

8:00 p.m. Mr. Wasserman called for a five minute recess.

8:05 p.m. Beth Israel Deaconess Hospital Expansion Project:

Jeff Liebman, President & CEO - Beth Israel Deaconess Hospital, appeared before the Board to provide a preliminary overview of the planned expansion of the facility. He stated that the renovations would preserve existing buildings, expand space, bring the facility up to today's hospital facility code and align certain operations. Mr. Liebman stated that the renovations are necessary to continue the hospital's growth. John Pierce, Architect, provided the Board with an overview of the project. He highlighted the changes to the façade and reorganization of operations to maximize use of the space. The Board asked if

the hospital has informed the neighbors of the project. Mr. Liebman stated that the hospital has met with neighbors and will continue to do so going forward. Mr. Cogswell suggested the Board form a committee to act as the point of contact for the hospital during the project. He stated that this worked very well during the Olin College development. Mr. Wasserman agreed and stated that a committee charter and membership would be presented at the Board's next meeting for a vote.

8:40 p.m. High Rock Homes:

Mr. Wasserman stated that the Board needed to consider two requests of the Needham Housing Authority related the High Rock Homes Development.

1. Wavier of Project Fees/High Rock Homes:  
Sheila Pranksy, Chair - Housing Authority, and members of the Housing Authority requested the Board authorize the waiver of all fees associated with the development of the affordable housing units of the project. The market value units would pay fees. Mr. Wasserman and Mr. Bulian supported the request. Mr. Matthews supported the request and suggested that the Board establish a more formal approach to waiving/paying the fees of such a project.  
**Motion by Mr. Bulian that the Board of Selectmen vote to approve a waiver of building, demolition and accessory permit fees under the Board's jurisdiction for affordable rental units at the High Rock Homes Development. This decision in no way sets precedent for any other Chapter 40B project within the Town regarding wavier of fees.**

**Second: Mr. Healy. Unanimously approved 5-0.**

2. Memorialize PILOT Agreement/ Housing Authority:  
Ms. Pranksy and member of the Housing Authority requested the Board consider signing an agreement related to the payment in lieu of taxes (PILOT) for the High Rock Homes affordable housing properties. Peter Smith, Needham Housing Authority Consultant, stated that the Massachusetts Housing Finance Agency (MHFA) is

requiring the agreement as part of the lending package for the High Rock Homes Development. Ms. Pranksy stated that the number of affordable rental units is not changing as a result of the project and a PILOT is already in place for these units but needs to be reaffirmed.

**Motion by Mr. Bulian that the Board of Selectmen vote to approve and sign the Cooperation Agreement between the Town of Needham and the High Rock Homes LLC, by its Manager, Needham Housing Authority regarding Payments in Lieu of Taxes to be paid on the state-assisted low-rent housing under the Chapter 200 program known as High Rock Homes.**

**Second: Mr. Cogswell. No vote.**

Mr. Matthews asked Town Counsel to speak with MHFA about the PILOT. He feels that MHFA is asking whether the Town recognizes the established LLC as an entity of the Needham Housing Authority and therefore eligible for the PILOT. Mr. Matthews stated that there is no legal agreement between the LLC and the Town. David Tobin, Town Counsel, stated that he would need to look into the matter more.

**Motion by Mr. Bulian to withdraw his previous motion regarding the cooperation agreement with High Rock Homes LLC.**

**Second: Mr. Cogswell. Unanimously approved 5-0.**

Mr. Healy requested that the Board defer action on the item until the Board's next meeting. Mr. Wasserman agreed.

9:05 p.m. Committee Reports:

1. Pollard Environmental Action Team:  
Mr. Cogswell stated that the Pollard Environmental Action Team started paper recycling at the school over three years ago and to-date the school has recycled almost 93 tons of paper.

9:10 p.m. Executive Session:

Motion by Mr. Healy that the Board of Selectmen vote to enter into Executive Session to:

Exception 3 - to discuss strategy with respect to collective bargaining or litigation, or to conduct strategy sessions in preparation for negotiations with non-union personnel; and

Not to return to open session prior to adjournment.

Second: Mr. Bulian. Mr. Wasserman polled the Board members. Unanimously approved 5-0.

(The Board adjourned the meeting at 9:30 p.m.)
