### June Recipient - John Wescott

John Wescott is a rising senior at Needham High School. John, who aspires to be a policeman, will be an intern this summer for the Boston Police Department where he will shadow a Boston Police Sergeant weekly. John was selected to part of the Be the Change Program at Needham High School that meets every Friday morning to talk about what is needed to change at the high school and how to make those changes happen. The group learns through various projects that not only have an impact on the school, but that help to For his recent Be the Change project, John and two other members gave a PowerPoint Presentation to the 8<sup>th</sup> grade clusters about their transition process to the high school. John was elected to the judicial court at the high school hearing student's disciplinary cases. John plays football and rugby for the high school. One of the biggest highlights of his time at Needham High School was playing in the high school super bowl at Gillette stadium. In his spare time John plays the drums and works part-time at Taylor's Stationery Inc.
