NOTICE

Road Improvement Notification

Central Ave (Glover Rd to Forest St)

Milling Night Work;

The milling of Central Ave. from Glover Rd to Forest Street is scheduled to begin Friday, September 6th at 9PM. The construction crew will use a large machine to remove 1.5” inches of failed asphalt from the surface of the roadway. The machine will load the material directly into haul trucks. This night work will be noisy at times due to heavy equipment and back up alarms on the haul trucks. This work will be completed before the morning commute.

Casting work during the day;

The following week sewer, drain and water casting will be adjusted during the daytime. This work will take about two days to complete. (Weather permitting)

Paving Night Work;

Following the casting adjustments, the roadway will be paved on September 13th Starting at 9PM (Weather permitting). This night work will be noisy at times due to heavy equipment and back up alarms. This work will be completed before the morning commute.

Electronic message boards will be used to update residents and commuters.
