500 Dedham Avenue, Needham, MA 02492
Telephone (781) 455-7550, FAX (781) 449-9023

Notice

Road and Sidewalk construction on Central Ave. from Hunnewell St. to near Cedar St.

Task -1, Roadway shoulder reconstruction, includes granite curbing installation, wheelchair access ramps, drain improvement and sidewalk reconstruction.

Work will begin the week of May 16th. Construction will primarily take place Monday – Friday from 7:00AM to 4:00PM.

The Department of Public Works with a hired contractor (LAL Construction) will install granite curbing, wheelchair access ramps, and sidewalk on both sides of Central Ave. Driveway aprons and grass areas will be adjusted as needed. This construction work should take 8 weeks to complete. The design and construction incorporates traffic calming measures, complete street design elements and reduces storm water runoff.

Please remove any object placed on the sidewalk or on the loam berm ahead of the construction. Trim overgrown bushes encroaching on the sidewalk and identify irrigation that may be on or within two feet of Town property.

Task -2, Roadway rehabilitation, includes milling the entire road surface, casting adjustments and road paving. Jennifer Cr. will be paved with Central Ave.

Work will be completed in the summer. Notices for task – 2 will be delivered after the roadway schedule is confirmed.
