Notice

Reconstruction of Wheelchair Access Ramps on Great Plain Ave from Warren St to Harris Ave and Harris Ave from Great Plain Ave to Eaton Rd.

Work is scheduled to begin the week of May 29th. Construction will primarily take place Monday – Friday from 7:00AM to 4:00PM. This project will take 2 to 3 weeks to complete.

A hired contractor (Fred DeRoma & Son) will reconstruct wheelchair access ramps at intersecting streets to conform with the Americans with Disabilities Act (ADA) requirements.

The work will include adjusting the radius granite curbing where required. Asphalt within the wheelchair ramp area will be removed and replaced with cement concrete with a detectable warning panel. Minor drainage improvements will be made to reduce standing water in the wheelchair ramp crossings.

It is important to identify private irrigation that is within two feet of Town property due to excavation.

For DPW project updates, please visit: www.needhamma.gov/constructionalerts

If you have any questions or concerns, please feel free to contact the Department of Public Works, Highway Division at (781) 455-7550 between 7:00AM and 4:30PM., Monday – Friday, or email rhoyland@needhamma.gov.

Thank you for your patience and support for this important project.

Revised Date; May 21, 2023
